

Reeve Cruickshank Returned
In Matsqui with 41 Majority;
L. Beharrell, Kettle, Elected

With each candidate polling a larger total of ballots than a year ago, Reeve George A. Cruickshank again outdistanced Milton Switzer in Matsqui municipal elections held on Saturday. The poll accorded Matsqui's "smiling reeve" topped the 500 mark at 513 and that of his third-time opponent climbed to 472. The figures a year ago were: Cruickshank 485, Switzer 426.

BEHARRELL ELECTED

Principal interest in the Ward Contests centred in Wards Three and Four in both of which the retiring councillors sought re-election and were defeated.

In Ward Four Mr. Lloyd Beharrell, offering himself for the first time for municipal office, was accorded a substantial majority over Retiring Councillor Thomas Goodchild. The vote was: Beharrell, 111; Goodchild, 84. Last election Mr. Goodchild defeated Mr. Adams 114 to 79.

KETTLE REGAINS SEAT

Mr. L. J. Kettle returns to the municipal council table as representative of Ward Three having scored a substantial victory in a three-cornered contest. Accorded a total of 179 votes he was well ahead of the new candidate in this ward, George Wasden, who polled 106, and Retiring Councillor Fred Ayling, 96.

Councillor Wm. Scott gained supporters in Ward One where he polled 147 votes to retain his seat, which was again contested by J. Towlan who polled 89 votes. Figures last election were: Scott, 138; Towlan, 88.

Councillor James Simpson was returned in Ward 2 by acclamation.

UPPER SUMAS W. I.
REQUESTS VYE ROAD
BE RECONSTRUCTED

The December meeting of the Upper Sumas W.I., was held at the home of Mrs. W. Buchanan with Mrs. Anke as co-hostess. The meeting took the form of a Christmas party with a prettily decorated miniature tree and the members exchanging gifts. The president, Mrs. J. Hunter, was in the chair.

The sum of \$25 was voted towards welfare and relief of needy families. A donation will be sent to the Abbotsford welfare. It was decided to send a letter to the Sumas council and to Mr. L. H. Epres, M.L.A., Chilliwack, drawing attention to the dangerous condition of Vye road and asking that steps be taken to reconstruct said road for safety. After adjournment, refreshments were served. The next meeting will be held at the home of Mrs. J. Hunter.

BRIDE-ELECT
IS HONORED AT
LOVELY SHOWER

Mrs. Charlie Coghlan, Miss Stacia Moran and Miss Irene Boury were hostesses at a surprise shower at Mrs. Coghlan's home in honor of Miss Jean MacGuire whose marriage to Mr. John Harris of Langley will take place on Dec. 26.

The rooms were beautifully decorated. The many miscellaneous gifts were placed under a lighted Christmas tree and were presented by little Beverly McDonald.

Refreshments were served the fifty guests by the hostesses, assisted by Mr. Paul Boury and Mrs. J. Moran, who presided at the urns. The lace covered table was centred by a bride's cake.

Besides the many friends from this district other guests were Mrs. Harris and Miss Bertha Harris of Langley.

BAN ON GAMES
TO BE ENFORCED

Slot machines, which "vanished" in this district recently were followed within a short time by the equally popular pin-ball machines. Proprietors of businesses where these machines and games stood as a form of diversion for interested customers contended the devices remained in other centres, but Friday it was announced from Victoria headquarters of the provincial police that the machines are now under ban. Operators will, in future, the report states, be prosecuted if such machines are found within the reach of the public.

Kilgard
Teacher
Injured

Mr. Lewis Lawley of the M.S.A. teaching staff, Kilgard school, was seriously injured in an automobile accident which involved four of the M.S.A. teachers en route to their homes at the Coast for the Christmas vacation last Friday afternoon.

Mr. Lawley was a passenger in a car driven by Mr. Allen Spragge when the car skidded on slippery pavement on the Louheed highway between the Pitt River bridge and Coquitlam. Strain on the car apparently caused a door to burst open and Mr. Lawley was thrown out of the car, which passed over his chest.

Taken to the Royal Columbia hospital in New Westminster it was found a lung had been punctured by a rib and on Tuesday it was reported Mr. Lawley would not be out of danger for at least a week. Danger of pneumonia setting in is a source of concern.

Miss Elspeth Lehman and Miss Nye were also passengers in the Spragge car but beyond a shaking up and scare they were not hurt.

A Merry Christmas

Abbotsford Welcomes Shoppers
With Festive Displays; Only
Three Shopping Days Left!!

Business streets of Abbotsford present a gay and festive appearance as a result of the joint efforts of Abbotsford Ratepayers Association and the Board of Commissioners.

A committee of the former body, Messrs. George Black, Alvin Webb and George McKay, have arranged in effective and Christmas illumination of the principal business streets with strings of colored electric lights strung across the thoroughfares. Next year it is hoped to have additional strings available.

The Board of Commissioners have effectively decorated the lighting standards with evergreens and have also erected the annual Christmas tree which stands, also gaily bedecked with colored electric lights, at the corner of Essendene and

Railway avenues.

These displays, coupled with the individual efforts of a majority of the stores and businesses, give Abbotsford the appearance of a very attractive shopping centre. Splendid stocks of special Christmas merchandise decoratively displayed within the stores, bear out this and shoppers are finding the goods representative of everything to be found in much larger centres and at prices easily competitive on a quality comparison. With no tolls to pay, no fog to battle or travel expense but with good selection and service at home—it pays to shop in Abbotsford. Bring the children in this Thursday, Friday and Saturday. They will enjoy the colorful decorations and be thrilled by the beautiful displays.

H. MacFadyen
Is Elected as
Commissioner

Mr. H. D. MacFadyen will serve a three-year term as a member of the Board of Commissioners of the Village of Abbotsford as a result of the civic election held on Thursday. He succeeds as commissioner, Mr. Gerald Bader who completes a two-year term of office and was standing for re-election. The poll was:

H. D. MacFadyen	110
Gerald Bader	81
Majority for MacFadyen	29

Mr. MacFadyen, who a year ago contested the re-election of Commissioner Joseph Gilmour now entering his 13th year on the board, gained a substantial increase in supporters compared with his score last January when he polled 81 votes to Mr. Gilmour's 135 total.

Both contestants this year are members of the Abbotsford Ratepayers' Association and both addressed the "stewardship" meeting held under the aegis of the association last week.

No appointment has, as yet, been made to fill the vacancy on the local staff, it is stated. Miss Grieve of Chilliwack has been appointed as substitute at Kilgard school in the absence of Mr. Lewis Lawley, injured in an auto accident last week.

A total of 46 patients were treated at the M.S.A. General Hospital, Abbotsford, during November. Growers' Convention Is To
Be Held in Mission City
Fri. & Sat. January 6 & 7

Prominent speakers are promised for the forthcoming convention of the B. C. Coast Growers' Association which is to be held in the Legion Auditorium, Mission City, on Friday and Saturday, Jan. 6 and 7, 1939. This organization aims to serve the interests of the Co-operative Fruit Growers Association in the Fraser Valley and on Vancouver Island.

Mission City was selected for the convention by reason of having plenty of hotel accommodation and a large auditorium in which to hold meetings. It is to be hoped fruit growers, farmers, business men and others interested in the problems of the fruit growers will feel free

Thirteen Carloads of Sumas
Tobacco Is Shipped; Growers
Anticipate Favorable Price

Shipment of nearly one-third of a million pounds of Sumas-grown tobacco was completed last week from Abbotsford and Chilliwack. Of a total of about 325,000 pounds of tobacco, seven carloads were

packed at Abbotsford and six cars at Chilliwack. Shipment was made to Chatham, Ontario, where the tobacco will be graded before being purchased by Canadian Leaf Tobacco Company.

Although the average price per pound for domestic tobacco is down approximately 2½ cents a pound this year as compared to 1937, it is believed that Sumas growers will receive a return per acre that will almost equal last year.

HIGH GRADE

Sumas growers who are experienced in the tobacco business believe that the crop is of exceptionally high grade. The long summer drought affected only a few of the 35 growers who shipped tobacco. The quantity of tobacco grown per acre was also heavy this year, and proved much better than was first anticipated.

Growers will receive a down payment in the neighborhood of 10 cents a pound this year but the money is not expected to arrive here before Christmas.

Tobacco Harvest Scene

Harvesting the 1938 tobacco crop on Sumas reclaimed lands.

Still Firm In Opposing Tyranny

The British people still believe in Democracy, race equality, religious and racial freedom and are preparing to defend them in spirit and with steel, Anthony Eden, formerly British Secretary of State for Foreign Affairs, told more than 4,000 wildly cheering listeners at the annual dinner of the National Association of Manufacturers in New York, U.S.A.

Declaring that Britain was neither "decadent nor faint-hearted," Mr. Eden, who organized sanctions against the Italian conquest of Ethiopia, said that Britain is neither seeking help nor trying to lure others to pull its chestnuts from the fire.

"We know," he added, "that we must champion our ideals, or others which we abhor will take their place."

Speaking with great intensity, Mr. Eden described democracy as "a university in which we learn from one another," adding that "it can never be a barracks where blind obedience is the first essential." It must have, he continued, strength of the highest discipline—self discipline—and it "must be based upon racial and religious toleration and each citizen must enjoy individual liberty; all must be equal before the law."

Quoting from a book he had read upon his crossing, Mr. Eden said that the worst insult possible is to consider human beings as a herd to be driven, depriving them of all self-respect and robbing them of their birthright.

"Man was not, in our view, made for the State. The State was made for man. The art of government consists in striking a just balance between the claims of the individual, and those of the state to which he owes allegiance."

According to Canadian trade returns, an encouraging expansion has taken place in Canada's export of canned fruits and vegetables to the United Kingdom during the past six years. For the year ended March 31, 1938, there were 25,331,184 lbs. of canned fruits valued at \$1,721,243, exported from Canada to the British market as compared with 9,403,604 lbs. valued at \$528,909, for the corresponding period 1932-33. Canned vegetables over the same period have shown a steady volume, rising from 4,557,634 lbs., valued at \$178,978, to 51,118,733 valued at \$2,242,943.

"Starlight" Is Praised At Banquet

Honored at a banquet in Hotel Vancouver on Thursday, "Starlight" the B.C. Jersey bred in the Fraser Valley, who has become famous for dealing in big figures by way of a world-record in production, brought down a shower of facts and figures on the 100 guests present. The record-breaking cow, as a matter of fact, was apparently too busy to even take place in the praise, etc., as she was not present. Mel Fleming showed moving pictures of her, however. W. S. Wainwright presided and head-table guests included Mr. and Mrs. R. C. Philipson of Chilliwack, owners of the farm where the cow was born; James Aitken, herdsman, who received a gold watch; Dean F. N. Clement and Prof. King of the U.B.C., and W. L. Macken F.V.M.P.A. president.

Dean Clement and Mr. Macken brought down the shower of figures. The former contended that if the milk that would be needed to meet the British market for cheese was taken off the market there would be no milk surplus. He pointed out cheese production was falling in spite of a market for 50 to 80 million pounds. Mr. Macken contended that production and not marketing was the major problem; he said 17 per cent of the people of Canada are engaged in the dairy business.

Production of the average of the 4,000,000 cows in Canada was placed at \$52, but Starlight showed by her record she had given a value of \$180, or three times of the average. Mr. Philipson pointed out that no one knew what a cow was capable of until she was kept under proper test.

Giving the younger element of the community strong endorsement at the polls at last Saturday's election of Mission district school trustee was the feature of the balloting when John Crysdale was given a lead of 109 votes over other contestants.

Student Activities
At Sheffield High School

The P.S.H.S. Auditorium held the true spirit of "Merry Christmas" when over 225 students and guests gathered to enjoy the school closing "Christmas Party." From the tall, beautifully decorated Christmas tree, with its many gifts, the walls decked with evergreens and the tables bright with red and green streamers, the auditorium took on a festive appearance for one of the most important school functions of the term.

After the luncheon the students joined in a community sing led by Miss M. Hind. The senior matric boys received much applause for their "Good King Wenceslas" number. The teachers then obliged by singing the carol "We Three Kings of Orient Are." The Glee Club sang four carols after which the students entered into an entertaining program of games. The gifts which the students exchanged were given out from the Christmas tree by the senior matric boys. Each class presented its teacher with a gift also placed on the tree.

Guests at the party were Mr. H. McArthur, Miss F. Robertson and Miss M. Hind.

The donations of food were so generous that the large amount left over was sent to the Welfare Society.

Pins and Yells

The Students' Council met on Thursday for an informal discussion regarding school yells and school pins.

LETTERS TO THE EDITOR

The opinions expressed in Letters
to the Editor do not necessarily co-
incide with those of the Editor.

The Editor, A. S. & M. News,
Dear Sir:

I would appreciate the courtesy
of space in your valuable paper to
make a reasonable and practical
suggestion about peace and goodwill
among men.

A number of my generation feel
very strongly that present and fu-
ture attempts to prevent and sabo-
tage war should if possible, be blood-
less rather than counter-blood-
sanctions instead of submarines;
boycott rather than bombardment.

I refer in particular to boycott
of the predatory powers, Germany,
Italy, Japan. As I remarked, this
is entirely practical. Last year Can-
ada's trade with Germany fell off
11.9 per cent; with Japan, 21.8 per
cent; with Italy, 34.5 per cent.
Other democratic countries are do-
ing likewise, and the boycott is
tightening.

It would be puerile to counter
with the argument that this works
hardship on the growers of Jap or-
anges, and tinkers of tin toys. In-
evitably it will. But if an oppressed
people groans under the tyranny of a
brutal military machine the reme-
dy lies in their own hands. They
need only take a page out of the
history of the British people aid of
other virile nations.

It is equally far from the point
to hint that one's own personal pur-
chase of a blood-stained import will
not have much effect on the fi-
nancial solvency and belligerent cap-
acity of an aggressor nation. That
would simply reflect the weak men-
tality of the elector, for example,
who shys his single vote will not
save his country from political ruin.
The moron's poison for democracy.

None of us entertain anything but
the friendliest feelings toward mem-
bers of other races, resident in Can-
ada or elsewhere who are not aid-
ers and abettors in the barbarous
activities of their national rulers;
but a responsibility lies with each
of us, in this as in other questions
of national and international im-
portance. Neglecting it, we might
just as well calmly wait until an
indignant and crusading govern-
ment hands us a gun and sends us
off to make the world safe for our
fellow-man by shooting him down
in cold blood—while his mate rains
bombs on our families at home.

Guns or butter? Or bombs and
oranges?

Yours very truly,
C. K. MORISON

D.S.O., as inspecting officer, accom-
panied by Major Sanford of Victoria
and Lt.-Col. C. J. Loat and Major
Sager of New Westminster, carried
out an inspection of Mission's "C"
Company, 1st Battalion, Westminster
Regiment (M.G.), under command
of Capt. H. Eckhardt. There were
also present several visiting officers
including Lt.-Col. MacLennan of the
Vancouver Regiment.

"C" Company exhibited spirit and
efficiency in infantry and machine-
gun drill that won high praise from
the inspecting officer. They were
also complimented upon the state
of their equipment and general
turn-out.

The regimental band was in at-
tendance under the leadership of
Bandmaster Moss.

The prizes for efficiency for
N.C.O. and men were awarded to
Corp. W. D. McIntyre and P. Tully.

CARD OF THANKS

I am naturally pleased with the
result of the election in Matsqui,
and at this time wish to express
my appreciation to those who sup-
ported me. In particular I wish to
express my thanks to my loyal
friends who have worked for me.
To me it means more to have their
continued support than it does to
be elected.

I consider the vote to be an ex-
pression of opinion from the people
the old idea of politics and prom-
ises is a thing of the past in the
present enlightened day. What the
public wants is results and a pro-
gressive outlook on the needs of the
people.

To my supporters and my oppo-
nents I extend the wish that all may
have a Happy Christmas and a
Prosperous New Year with the hope
that we will all work for the bene-
fit of our municipality.

SENIOR "A" TEAM

Abbotsford Junior Badminton "A"
team challenged Stave Falls-Mission
senior "A" players to a tourney
held in Philip Sheffield Auditorium,
Abbotsford, Tuesday night and very
nearly got away with it. The final
score was 13-11 in favor of the
visitors. Both men's and ladies'

lost in mixed doubles, 6-3.

CUP GAME DEC. 27

On Tuesday, Dec. 27, the Abbots-
ford football team journey to Lang-
ley to meet the homesties in the
semi-final of the Haddad Cup. Play-
ers are requested to be on hand
in good time.

ABBOTSFORD HOLDS
CITY SQUAD TO DRAW

In an exhibition soccer game at
the Jubilee grounds last Sunday,
the Abbotsford team finished on
even terms with the Vancouver
Pro-Recs, each tallying twice.

The locals opened the scoring
early in the game, Blacklock head-
ing through after a nice cross from
Waterston. The city boys shortly re-
plied, and before half time were
one up, two oblique, swerving
shots eluding Goalie Webster. Not
long after the change-over, Abbots-
ford drew even when Blacklock
scored again. Although both teams
had several scoring chances, neither
tallied again before time.

The visitors, a fast, husky eleven,
forced the major part of the play,
but ran up against a stubborn Ab-
botsford defence, and rarely got
close enough to the goal to shoot.

ATHLETIC JOTTINGS

Harry Peachie, the Clayburn
This event, which was held in the
newly remodeled Community hall,
though not advertised to any ex-
tent was patronized by a very nice
crowd which greatly appreciated the
five boxing bouts and one wrestling
event. Showing their enthusiasm by
shouts of encouragement to their
favorite fighter. Many thanks are
due Johnnie and Jimmie McBeth
for being able to match the vari-
ous participants so well.

Warren McDonald, 128 pounds,
vs. Earle Wesley, 135 pounds, both
of Abbotsford, started the card;
followed by John McBeth vs. Jim
sports enthusiast, solicited the as-
sistance of the Abbotsford and Dis-
trict Amateur Athletic Association
to promote a boxing and wrestling
tournament at Clayburn on Dec. 14.
McBeth, 150 and 160 pounds res-
pectively. Joe Langlois at 155
pounds of Abbotsford vs. Gordon
Davies, 155 pounds, of Clayburn, in
a blindfolded boxing match. Gordon
Calvert, 196 pounds, pardon me,
75 pounds, fought John McBeth,
150 pounds, in a whirlwind bout
which had the crowd on its feet
cheering for the little fellow.
Chuck Gough, 145 pounds, of Kil-
gard, put up a good fight against
Tommy Walters, 160 pounds, of Ab-
botsford.

Max Lindores, 175 pounds, Kil-
gard, vs. Ivan Davies, 190, Clay-
burn.

Mike Terapowski, 175 pounds, Ab-
botsford, vs. Len Ferguson, 165, of
Sumas Prairie, in a wrestling event.

The next boxing and wrestling
tournament will be held at Abbots-
ford and will be bigger and better
than ever. Anyone who wishes to
take part in these events please see

MISSION WINS

AT LANGLEY;

SCORE 4-2

On Sunday Mission Football team
travelled to Langley and scored a
well-earned victory by the score of
4-2. The ground was hard and dan-
gerous, but both teams played ex-
cellent ball and gave a fair crowd
many of whom travelled from Mis-
sion, plenty to shout about.

Johnstone opened the scoring for
Mission from close in after a few
minutes' play Mission continued to
bombard the Langley goal but were
unable to get one through. Toward
the end of the half Langley was
awarded a penalty which Vosburgh
saved. A few minutes later a lovely
shot by Brandow gave him no
chance and when the teams changed
ends the score was 1-1.

Mission was awarded a penalty
just after the re-start, and John-
stone had no trouble scoring. Davies
put Mission further ahead with a
shot from well out.

Five minutes from time Langley
managed to get one past Vosburgh,
but Mission made sure when Cooper
carried the ball half the length of
the field and swung it to Mc-
Laren who had no difficulty in
scoring.

Mission team is now just one
point behind the league-leading Ab-
botsford team

Abbotsford District Items of Interest

Word has been received of the
arrival at Mayo, Yukon Territory,
of Miss Elizabeth (Betty) Kelly,
R.N., a graduate of Vancouver
General Hospital, who recently went
north to engage in her profession.
Miss Kelly travelled by boat, rail
and plane to reach her destination.
She is the daughter of Mr. and
Mrs. J. D. Kelly and attended high
school in Abbotsford.

Births registered during November
with the District Registrar totalled
9, of which 7 were female and 2
male. One death was registered in
the same period.

Mrs. J. Downie, a former resi-
dent of this district, writing from
"Abbotsford," Enfield, Middx., Eng-
land, states: "although we have
been away from Abbotsford nine
years, we still have the paper sent
to us, which we enjoy very much,
but we are now looking forward to
our return to Vancouver next sum-
mer."

Milder temperatures Monday eve-
ning were followed by a fall of
snow during the night, but amount-
ing to less than one inch in this
district. Rains were not far be-
hind and a possible "white Christ-
mas" may be a damp one instead.

WOMAN INJURED

Mrs. Mike Shorsky, 25, Hammond,

serious head injuries, and Clarence
Bowyer, mill employee, Hammond,
is charged with failing to return to
the scene of an accident, he ac-
cident happened about 4 o'clock on
